ABOUT UVCE

University Visvesvaraya College of Engineering (UVCE) was established in the year 1917 by Bharat Ratna Sir M Visvesvaraya. It is the first Engineering college of Karnataka and fifth in India. Situated at KR Circle in a greenery filled scenic expanse of 10 acres, UVCE is in the neighborhood of heavenly Cubbon park and at an arm's distance are some of the most important locations like Vidhana Soudha, Government of Karnataka, Karnataka High Court and City Civil Court.

This pioneer college has grown many folds, producing some of the best engineers in the country. UVCE Alumni have etched "UVCE" as a highly recognized institution and are keeping the esteemed honor of the institution flying high with their remarkable achievements in the respective fields/organizations.

We are glad that our Alma Mater has started a new phase of the journey. It is a historic milestone to be accorded as an **Autonomous institution** - "UVCE Act" was passed by the Karnataka State Government to empower the Institution to attain standards of global excellence in engineering and allied areas of knowledge. This Bill proposes to model UVCE on the lines of Indian Institutes of Technology, Indian Institutes of Management and other Institutions of National Importance.

ABOUT UVCEGA

Creating an engaged, supportive alumni network is crucial to an institution's success. The alumni should be kept informed so they can remain engaged and keep abreast on the progress of the university. Good alumni relationships bring many benefits to both the institution and the alumni. That is the focus of the **UVCE Graduates Association** - to nurture and build the alumni community. We are already 1200+ members strong, with graduates from 1946 till 2022 part of the Association.

The Mission of UVCEGA is - "To reach and engage UVCE Graduates, faculty and students; to provide goodwill and support to achieve the institution's goals and spread the spirit of unity and loyalty among UVCE community."

To acknowledge the impact that will be created by becoming an autonomous college, we are organizing a 5K Run/Walk on 5th March 2023 with route trail starting from our college via Cubbon Park and back to our college. The event is aimed to witness UVCEians of the past and present, the alumni and students taking part to celebrate and increasing the glee by an exponential factor. A crowd of over 800 is expected to actively partake in this 5K Run/Walk. We will be inviting few of the distinguished alumni to be part of the event and join hands for the cause.

Few well-known alumni who are already members of UVCE Graduates Association - Dr VK Aatre, Wg Cmdr H G Dattatreya, Uma Reddy, Manjunath Prasad, Ramesh Aravind, Sheenam Ohrie, Naganad Doraswamy and 1000 more...

WHY SPONSOR?

- Sponsorships play an integral part in successfully organizing an event of a huge scale. They form the backbones of the coordinating team adding zeal of the festivity.
- We are hoping for encouragement and support to organize this occasion of building a new brand of our college, University Visvesvaraya College of Engineering.
- Sponsor to have your named associated and etched with us and build University relations along with the alumni, who are experienced and talented engineers.
